

Letter from Dr. Kent Hovind:

We are so thrilled that other people want to spread the creation message by copying our video materials to reach others with the Gospel. We don't want to squelch this enthusiasm in any way and we will continue to allow people to copy our materials. Due to a variety of circumstances beyond our control, we are making one small change that will not affect 99.9% of the people who use our videos - We are copyrighting all materials produced by CSE as of January 1, 2005. No one is allowed to duplicate our materials except under the following conditions:

Materials are to be copied, unedited, unaltered and distributed absolutely free of charge.

Anyone with assumed or previous permission to sell them issued previously is hereby revoked.

Under no circumstances are copies of our videos / DVD's to be sold for any price.

Copies may be purchased in bulk from CSE. Please contact our office for information.

Keeping with the teaching of Matthew 10:10, Luke 10:7, and 1 Timothy 5:18, the laborers who have spent years developing and producing this material should not be defrauded out of that which is theirs.

Thank you for your desire to help spread the creation message. Please feel free to contact our ministry if you have any questions.

In Christ,

Kent Hovind
